## Marbrisa Ranch Paint Colors

Some colors are Dunn Edwards and some are Frazee. As it turns out, Dunn Edwards often mixes a great deal of paint for Frazee. Either vendor should be able to cross to the other by name or number. Following are the respective paint names, manufacturer and corresponding paint numbers.

### Base Colors:

- Baja White, Dunn Edwards, SP14
- Desert Dawn, Frazee, not applicable (see below)
- Navajo White, Dunn Edwards, SP60
- Pheasant, Frazee, 4350W
- Spice Tan, Frazee, 5202M
- Travertine, Dunn Edwards, SP63
- Mushroom, Dunn Edwards, DE1043
- Stoneish Beige, Dunn Edwards, SP68.

### Trim Colors:

- Bone China, Dunn Edwards, SP514
- Briar, Dunn Edwards, SP25
- Cape Cod Blue, Dunn Edwards, SP72
- Dry Earth, Dunn Edwards, Q3-19D
- Original Cinnamon, Frazee, 4343M
- Sequoia, Frazee, 4344D.

Additional information that homeowners may find useful:

Frazee: 602 843-2100.

Dunn Edwards: 623 583-3313.

FYI, there is some disagreement regarding the color "Desert Dawn". Neither vendor will claim the color, however both vendors attest to have mixing it in the past. Although neither has a paint number for it (but both have a formula), each swears that the name belongs to the opposite vendor and say to ask for it by name when needed. Frazee does have a color "Desert Fawn".
